

8K Flat HDMI Cable Female To Female Panel Mount

Description:

Our cable is tailor-made to provide the ultimate solution for combining two HDMI cables to establish a secure connection through a panel. It empowers you to deliver display connectivity from a protected source effortlessly.

With its short length and cutting-edge design, this flat HDMI cable guarantees minimal signal loss, ensuring an uninterrupted viewing experience.

It effortlessly supports video resolutions up to 8K@60Hz, delivering remarkable visual clarity four times superior to traditional 1080p/60 video resolution.

Item no. FSP1000D8K
