

90° Angle VGA Panel Mount Adapter Female to Female Coupler

Description:

FARSINCE High Quality 90° Angle VGA Female to Female panel mount Coupler is perfect for combining two VGA cables to achieve connectivity through a panel. This allows the user to provide display connectivity from a source that is contained within a secure location. The adapter is designed for minimal signal loss. It transmits both audio and video signals from your computer to a monitor for video streaming or gaming.

Supports video resolutions up to 1920x1080@60 (1080p Full HD) including 720p and 1600x1200 for HD monitors or projectors.

Item no. FSP3060
